Dear Ear Candy Charity,

Thank you so much for donating instruments to Capitol School on 8/25/10. These donations are critical at a time when the economy has made it tough for schools to fund the Arts.

The following is a list of instruments and the number of students that they will impact.

- One drum-set. This instrument will be used with student's grades 7-8. It will impact 10-12 students per year, as well as enhance the sound of the entire band.
- One trombone. This instrument will impact 1 student per year who would have not had a chance to play otherwise. It will also enhance the low brass section of the band improving the overall sound of the group.
- One flute. This instrument will impact 1 student per year who would have not had a chance to play otherwise. It will also increase the size of our flute section which is small.

Overall, these donations will allow 14 children the opportunity to experience music education that were unable to before Ear Candy helped out.

Thank you so much for your support of music education and our school.

Sincerely,

Amy Ziegenhorn
