Re: Generous Donation

Dear Nate,

We wish to thank you for your service to, and support of, music education in Arizona. The Ear Candy instruments, which your organization has donated to our school district, are in use in our schools. Our district provides almost all of our band and string students with instruments. With the economy putting strains on families, your donation serves an important part in providing access to all students for band and string programs. We appreciate your organization reaching out to our families with these needed donations.

Please communicate to your donors that our Title I community wishes them a Happy Holidays. Their gift of music to our families in this season is deeply felt.

Sincerely,

Deborah Bailey, Director
Teaching and Learning
Cartwright School District #83

Antonia Adams-Clement, Assistant Director
Fine Arts, Health & Wellness, and Social Studies
