Dear Ear Candy Charity,

Thank you so much for donating instruments to Mae Bartlett Heard Elementary School. These donations are critical at a time when the economy has made it tough for schools to fund the Arts.

The following is a list of instruments and the number of students that they will impact.

- Piccolo: Will directly impact up to 4 students, but it will indirectly benefit around 70, they have never heard a piccolo before and now they will have just a little more knowledge of the chemistry in a band.
- Soundboard: Will directly benefit around 40 students, when students take the upper level band classes, there will be a unit on composition and mixing (music technology).

Overall, these donations will allow 75 children the opportunity to experience music education in ways they were unable to before Ear Candy helped out.

Thank you so much for your support of music education and our school. Our students are very excited and grateful for the extra opportunities you've given them.

Sincerely,

Elizabeth Laskowski
