October 13 2010

Dear Ear Candy Charity,

Thank you so much for donating instruments to Paradise Valley High School on October 29<sup>th</sup>, 2010. These donations are critical at a time when the economy has made it tough for schools to fund the Arts.

The following is a list of instruments and the number of students that they will impact.

3 electric guitars

2 small amps

2 guitar stands

2 electric bass

For high school guitar class with 25 students, so they have an opportunity to play electronic instruments as well as acoustic.

2 electric keyboards

These keyboards will replace some of our broken keyboards for the high school piano class. There are 12 current students in this class.

Overall, these donations will allow groups of children the opportunity to experience music education that were unable to before Ear Candy helped out.

Thank you so much for your support of music education and our school.

Sincerely,

Tamra Duncan
